

Have hail damage? Need a new roof, gutters, windows, siding and more? Check out Cooper Construction. One of our own staff alumni/camper dad is sharing this amazing offer for all of you! If you need their expertise and complete a new roof with them, Camp T will get \$1,000!

Cooper Construction, a locally-owned roofing and exterior company, specializes in roofs, gutters, windows, siding, stucco, and paint affected by storms. They will work with all insurance companies, offer free inspections, and will be there to guide you through the whole process. There is no cap to the amount donated! What a gift to work with someone you can trust that shares the common bond and values of Camp Timberline.

If you or someone you know is interested in a free inspection (and supporting Camp Timberline) contact Josh Woodmansee at 970-310-8784 or jwoodmansee@roofsbycooper.com. Be sure to mention that Camp T sent you!

If you or your business is interested in a similar opportunity, please contact Diane Dahm at 303.359.2218 or diane@camptimberline.com.

Thank you for partnering with Camp T to benefit our ministry AND you!
