## 1. ADULT & PEDIATRIC CPR (Required for ALL staff members)

Staff must have this CPR certification while employed at camp. Please select your option for obtaining this certification:

1. \_\_\_\_\_ I'M SENDING MY CPR COPY TO CAMP. You have a current certification to send us!
2. \_\_\_\_\_ ONLINE COURSE WITH TEST DURING STAFF TRAINING. Camp offers an online CPR course that you can take prior to arrival and then test your skills during Staff Training! This online course must be completed BEFORE attending training. This will solely be the responsibility of the staff member so if you choose this option, plan to make time to watch the online training before you arrive.
3. \_\_\_\_\_ TAKING LOCAL COURSE AT SCHOOL/HOME. You already have a course scheduled through a local Red Cross or American Heart Association chapter and will send a copy when you are done.
4. \_\_\_\_\_ RETURNING STAFF MEMBER & CPR IS STILL CURRENT. You are returning to camp and we have your certification from last year.

## 2. LIFEGUARD CERTIFICATION (For staff who already have a current lifeguard certification)

Do you have a current lifeguard certification?! We are in need of additional lifeguards to help at the lake for retreats this fall.
